

I Am Giving

(Sing to the tune of “Frere Jacques.”)

I am giving, I am giving

(Hold your hands in a giving posture and move them from side to side.)

Happily, happily,

(Use your index fingers to draw a smile on your face.)

How will people know Him

(Point to your head with your index finger for “know.”)

If we do not show them

(Put your hand flat above your eyes and turn your head to look from side to side.)

Give with me, give with me

(Hold your hands in a giving posture and move them from side to side.)
