

Unit 4 | Session 2

GOD DELIVERED HIS PEOPLE

Exodus 5-12

God's people were slaves in Egypt. Moses and his brother Aaron went to Pharaoh and told him: "The LORD says: Let My people go."

But Pharaoh said, "Israel may not go!" So God sent ten plagues. God turned the water in the Nile into blood. But Pharaoh would not let the people go.

God sent frogs into Egypt. But Pharaoh refused to let the people go.

God sent gnats. Then flies, and He caused all the livestock to die. Still, Pharaoh did not let the people go.

God sent boils that covered the people, a terrible hailstorm, locusts, and then darkness. But still, Pharaoh said no.

God told Moses, "I will bring one more plague." Moses warned Pharaoh: Every firstborn son in Egypt will die. Pharaoh ignored Moses.

God told the Israelite families to kill a lamb and put its blood on the doorposts of their houses. This would be a special mark that God would see the Israelites would be safe.

God struck every firstborn in the land of Egypt. Pharaoh called for Moses and Aaron. "Go!" he said.

The Israelites left Egypt quickly. God led His people out of Egypt.

Christ Connection: By His grace, God spared the Israelites from judgment by requiring the blood of a lamb. Jesus is the Lamb of God, who takes away the sin of the world. His death was the ultimate sacrifice, and those who trust in Jesus are under His saving blood and will be passed over in the final judgment.

THE STORY OF THE GOSPEL

The Bible tells us what is true about God and about ourselves. All of the stories in the Bible fit together to tell us the big story of how God rescues sinners through His Son, Jesus.

» For each scenario, write a reason for doing something even when you don't want to.

I don't want to play with my younger sister.

I don't want to clean my room like my mom asked me to.

I don't want to be nice to a classmate who was mean to me.

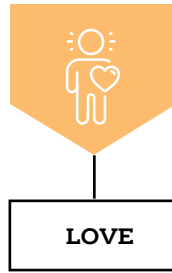

I don't want to help my dad carry groceries.

» What does this story teach us about God?

» How did the Israelites remember how God rescued them from Egypt?
